This matter comes before the Court upon consideration of the Report and
Recommendation (“Report”) issued by Magistrate Judge James Larson, in which he
recommends that the Court grant Plaintiffs’ motion for default judgment. There have been no
objections filed thereto. Having considered the Report, the parties’ papers, relevant legal
authority, and the record in this case, the Court finds the Report thorough and well reasoned and
adopts it in every respect. Pursuant to Judge Larson’s recommendation, if after Plaintiffs
conduct an audit of Defendant, they discover additional amounts due and owing and incur
additional fees and costs, Plaintiffs shall submit an additional detailed recommendation
explaining how they calculated any amounts Plaintiffs seek to collect. Plaintiffs shall submit
that declaration to Judge Larson in the first instance for purposes of preparing a report and
recommendation on whether to amend the Judgment in this action.

1 Accordingly, Plaintiffs' motion for default judgment is granted. A separate judgment
2 shall issue, and the Clerk is directed to close the file.

3 **IT IS SO ORDERED.**
